## SUPERLICIOUS SUMMER

NON-FICTION

ENJOY GREENS UNDER THE BRIGHT BLUE SKY

### ABOUT THE BOOK

Summer can be glimpsed on the horizon and we can start to anticipate the emergence of wonderful vegetables, fruits and berries that shoot up from the earth and begin to ripen on bushes and trees. Not to mention all the awesome summer foods we can make from them.

*Superlicious Summer* is a remix of all the very best summer recipes from the superlicious sister chefs, Sonja Bock and Tina Scheftelowitz, picked from their previous books (*Best Salads Ever*, *Superliciously Healthy*, *Woman Know Thy Coal*, *Superliciously Easy*, *Superlicious Smoothies*) as well as a bunch of brand-new meals – unpretentious summer food for everyday cooking as well as for special occasions, as always with emphasis on vegetables and savour.

In here you'll find recipes for light salads made with fresh asparagus, strawberries, rhubarbs and potatoes, prepared in a variety of ways; recipes for fish and barbecue; for cool drinks to be enjoyed on the terrace with a snack.

You'll discover recipes for sandwiches, burgers and hotdogs as well as pizzas and pies in pleasing combinations. And last but not least, all the savoury summer sweets: fruit pudding, berries, ice cream and cakes.
